

ASTREA HUB

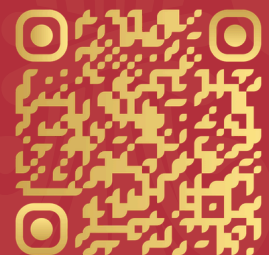

One Blade, Every Connection

USB Hub is shaped like Reinhard's sword from Re:Zero, the strongest character in the series with a famously over the top sword

- ⚔ Chip: SL21S hub controller
- ⚔ Speeds up to 480 Mbps
- ⚔ Bus-powered – runs off computer's 5V, no separate power supply needed
- ⚔ Connects easily to your computer device, gaining access to 4 port styles
